U.S. ARMY

(U) This infographic provides a timeline of events in the Israeli Iranian Conflict. Previously, Israel and Iran had been engaged in years-long shadow war - attacking each other's assets without admitting responsibility. Those attacks have ratcheted up considerably during the current war in Gaza sparked by the Palestinian group Hamas's assault on nearby Israeli communities last October. Below is a timeline of major events escalating to the Iran's attack on Israel and Israel's retaliation.
